- Space Sciences offers tremendous opportunities for students.
- Students should cultivate interest in Maths & Science.
- We need to encourage the curiosity of school children towards stars and sky.
- **ETS - Maths & Science Teachers Forum**, the newly launched arm of Explore The Space, will encourage teachers to spread awareness on Space Sciences in classrooms.
- Explore The Space invites students and institutions to join its mission of spreading awareness on Space Sciences.

“Explore The Space” (ETS) is a non-profit organisation promoting Space Education, awareness and research on Space Sciences among School/College Students and General public.

“Explore The Space” which is completing its second year of successful journey, celebrated the occasion by organising, **ETS- 2nd Annual Seminar and Quiz Competition for School Students on SPACE SCIENCES - 2018** on Tuesday 31st July 2018, at Hyder Garden Matric Hr. Sec. School, Jamaliala, Chennai.

ETS -Maths & Science Teachers Forum

ETS Maths & Science Teachers Forum was launched by Ms. Nasreen on behalf of Ms. Thasleem Begum, Principal, Hyder Garden Matriculation Hr. Secondary School, Chennai. The Forum seeks to promote and nurture existing and new ideas / innovation on Teaching Space Sciences in the Classrooms through the school syllabus.

In the words of Albert Einstein, “it is the supreme art of the teacher to awaken joy in creative expression and knowledge.”

“Maths and Science Teachers play a great role in enhancing the creativity of the Students. We welcome Maths and Science Teachers to join this Forum and promote the cause of increasing awareness on Space Sciences. There are no charges to join this Forum, enthusiasm to learn, teach and share are the only requirement” said, K. Balachander, Senior Consultant, ETS.
