Kesari Higher
Secondary School,
T Nagar, Chennai

Space Exploration Workshop for School Students at

Kesari Higher Secondary School, Chennai

21st July 2025 (Monday)

Time: 11.00 am to 12.15 pm

Explore The Space organized a workshop on Space Exploration for Kesari Higher Secondary School of IX Class students on Monday 21st July 2025. About 50 students participated in the seminar. Explore The space is an ISRO registered space tutor spreading space education across geographies.

The Headmaster of the School Mr Nagula Gopalaiah, Mr Nandagopal , Aadarsh Chamber of Commerce and Industry, Chennai ,Mr Kailasam, Management Consultant, Chennai, and Mr D V Venkatagiri, CEO, Explore The Space, Chennai presided over the workshop.

Mrs V Sumitrra Devi, CAO, Explore the Space conducted experiments for students pertaining to space, power point presentations, played interesting videos, and conducted quiz for the students. The students who gave correct answers were given small gifts and space stickers.

Mrs Seetha Rajagopalan, Head Client Relations conducted the quiz and co-ordinated the workshop. Mr A Santosh, Student Volunteer also supported the programme.
